

August 2011

Update from STC Geneva

Save the date!

Our Fall Day of Service will take place at multiple locations throughout Geneva on **Saturday, October 1, 2011**. Projects to get involved in may include **light construction**, **serving meals**, and **showing compassion** in various ways to handicapped children, prostitutes, and the elderly and infirm.

Calling all leaders!

This summer STC welcomed several new team members to its ranks. If you'd like to get involved with STC through leading or joining a team, contact us. We love it when people are generous with their time and talents, and motivated to make a difference!

A reminder about sponsors!

If your company would like to participate in Serve the City Geneva's next day of service, please let us know soon. We value your suggestions regarding who we should contact for both teambuilding activities and financial support.

As always, we encourage you to check our [website](#) and sign up to receive the latest information about STC events.

If you wish to be removed from this mailing list, please [email us](#).

Postal inquiries may be addressed to
Serve the City Geneva, 5 Rue de Lyon, 1201 Genève
